Dear Parents:

We are writing to let you know of an incident that happened to three Iroquois Middle School students on their way home from school on Tuesday. The students report that they were followed by a man driving a blue pickup truck. They were able to provide a description of the truck and this information has been reported to the Irondequoit Police Department.

Please take this opportunity to remind your student of the following safety precautions. For instance, suggest that they:

- Share with you what they have learned in school as to how to deal with strangers
- Walk to and from school with a friend
- Run the other way if they encounter a person who causes an uncomfortable situation
- Try to get to a safe place such as the home of a friend or a public place such as a store
- Inform a responsible adult as soon as possible

We felt that it was important that you be informed about this incident. Thank you for following up at home. Please feel free to call school if you have any questions.

Sincerely,

Kathleen Bush
