In this newsletter you will find information on the annual district vote. Residents are asked to vote on two items: the 2017-18 district budget and two of the three residents running for seats on the Board of Education. Our polling place is once again at the St. Paul Blvd. Fire Department, just across the street from the high school.

Proposed 2017-18 District Budget: $71,997,349

Budget objectives:
- Adjust for enrollment and balancing class sizes to support Tier 1 instruction and planning,
- Prepare for increased technology integration in the classrooms, and
- Maintain a sustainable 3 to 5 year financial plan while staying within the Tax Levy Cap.

We will continue our instructional technology initiative as we move to 1:1 computers for all students at Dake Junior High School. Infrastructure throughout the district has been augmented over the past several years. Computers will be purchased through BOCES generating a 74% state aid reimbursement.

The proposed budget continues to support the comprehensive educational program and tradition of excellence for which West Irondequoit CSD is known. In 2016 our graduation rate was 93%. During their high school career, 92% of our 2016 graduates took courses that could earn them college credit. And, for the 16th year, West Irondequoit has been recognized as One of the Best Communities for Music Education in the nation.

The budget includes $100,000 for a conversion to LED lights at Dake Junior High School, focused on hallways, perimeter exterior lighting and classrooms. This will result in long-term savings as we will receive $80,000 back in state building aid in 2018-19 and will have reduced energy and maintenance costs.

The proposed tax levy increase is 1.59%, which is our allowable tax levy cap. Because the proposed budget falls within our tax levy cap, it requires a simple majority for passage.

Information is also available on the district Web site at www.westirondequoit.org or by calling 585-336-3067. You can also follow us on Facebook and Twitter. We’re West Irondequoit CSD.

- $ per $100,000 Assessed Home: 45
   *(Before STAR exemptions)*

**What if the budget is not approved by voters?**

A simple majority vote is required for the proposed budget to be approved, as the proposal meets the acceptable tax levy threshold for West Irondequoit with a 1.59% tax levy increase. The Board of Education could propose one more budget for voter approval, or it could elect to adopt a contingency budget. A contingency budget cannot contain a tax levy that is greater than the levy of the previous year.
