Dear Neighbors,

Pursuant to Article 6-c of the New York State Correction Law, also known as the New York State Sex Offender Registration Act, the attached information relative to a registered sex offender residing in the community is being made available to you.

The above person has been designated by the court as a Level 2 sex offender. This designation means that he has been classified as having a "MODERATE RISK" of recidivism. The above subject was convicted of Rape 3rd degree on 2-14-17. His conviction stemmed from an incident involving a 21-year-old female on 12-11-16. Information regarding this subject has been disseminated to all members of the Irondequoit Police Department.

You may disclose or further disseminate this information at your discretion. However, you may be subject to civil and/or criminal liabilities from damages if it is shown that you acted with gross negligence or in bad faith. Therefore, you may wish to seek the advice of legal counsel prior to disseminating the enclosed information.

For information regarding registered sex offenders you may access the New York State Department of Criminal Justice Services web site at: <http://www.criminaljustice.state.ny.us/nsor/index.htm> or you can call 1-800-262-3257.

Sincerely,

Richard V. Tantalo

The following laws apply to each of the three levels of offense:

Level 1	Low Risk	Law enforcement information is shared with organizations that work with "vulnerable" populations. Any entity receiving information may then disseminate that information at its discretion. The exact address of the offender is not and cannot be shared with school districts or the general public.
Level 2	Moderate Risk	Law enforcement information is shared with organizations that work with "vulnerable" populations. The exact address of the offender is listed on the state registry which the public may access upon request. Any entity receiving information may then disseminate that information at its discretion.
Level 3	High Risk	All available information is shared with organizations that work with "vulnerable" populations, including the offender's exact address. The offender is listed on the state registry which the public may access upon request. Agencies receiving information may then disseminate that information at their discretion.
